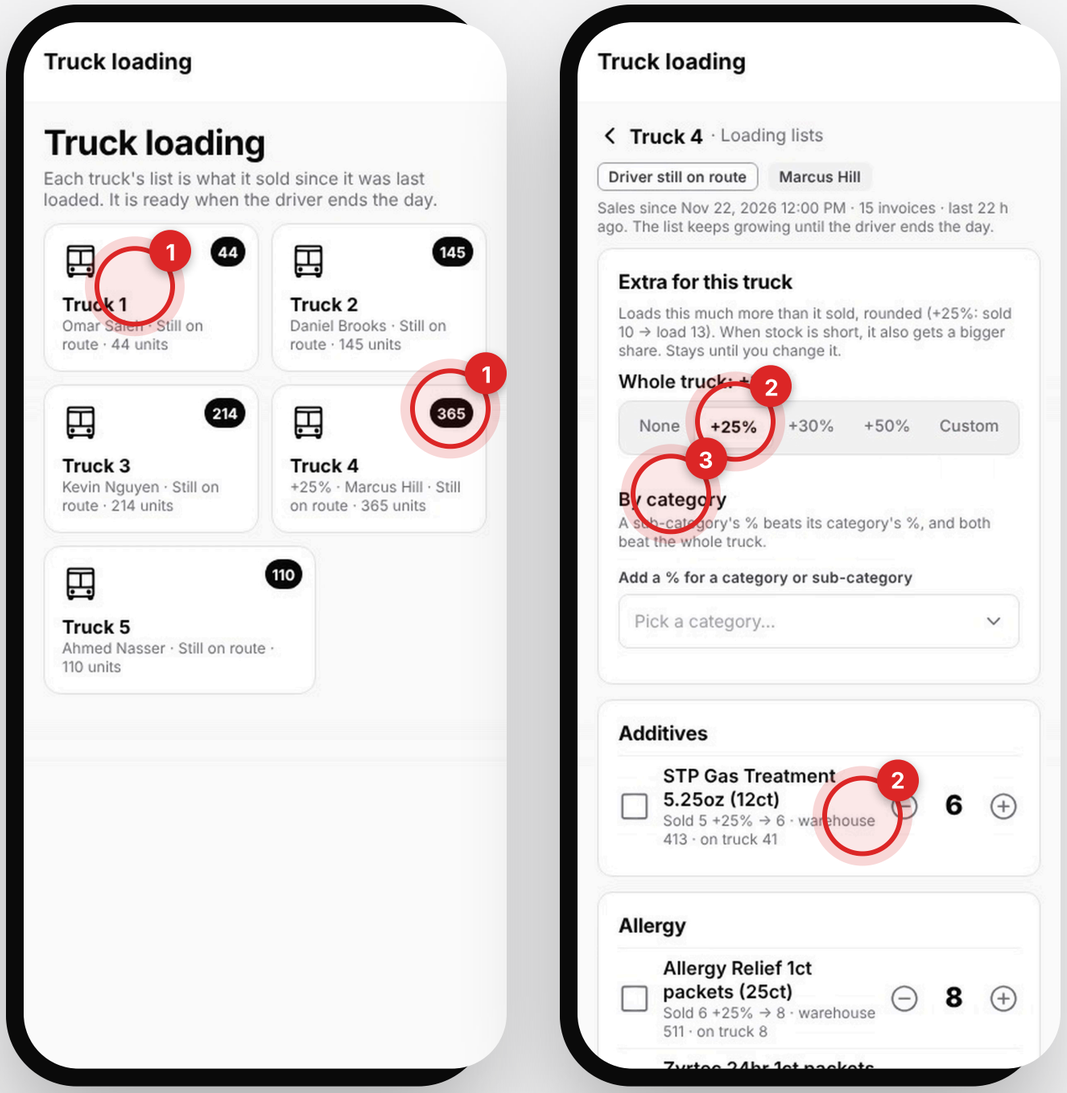
TRUCKS · PLATINUM

Tomorrow's load, ready tonight

1. **Built automatically**
   From what each truck sold today

2. **Boost any truck**
   +25%, +30%, +50% or custom

3. **Shared fairly**
   When stock runs short, by category



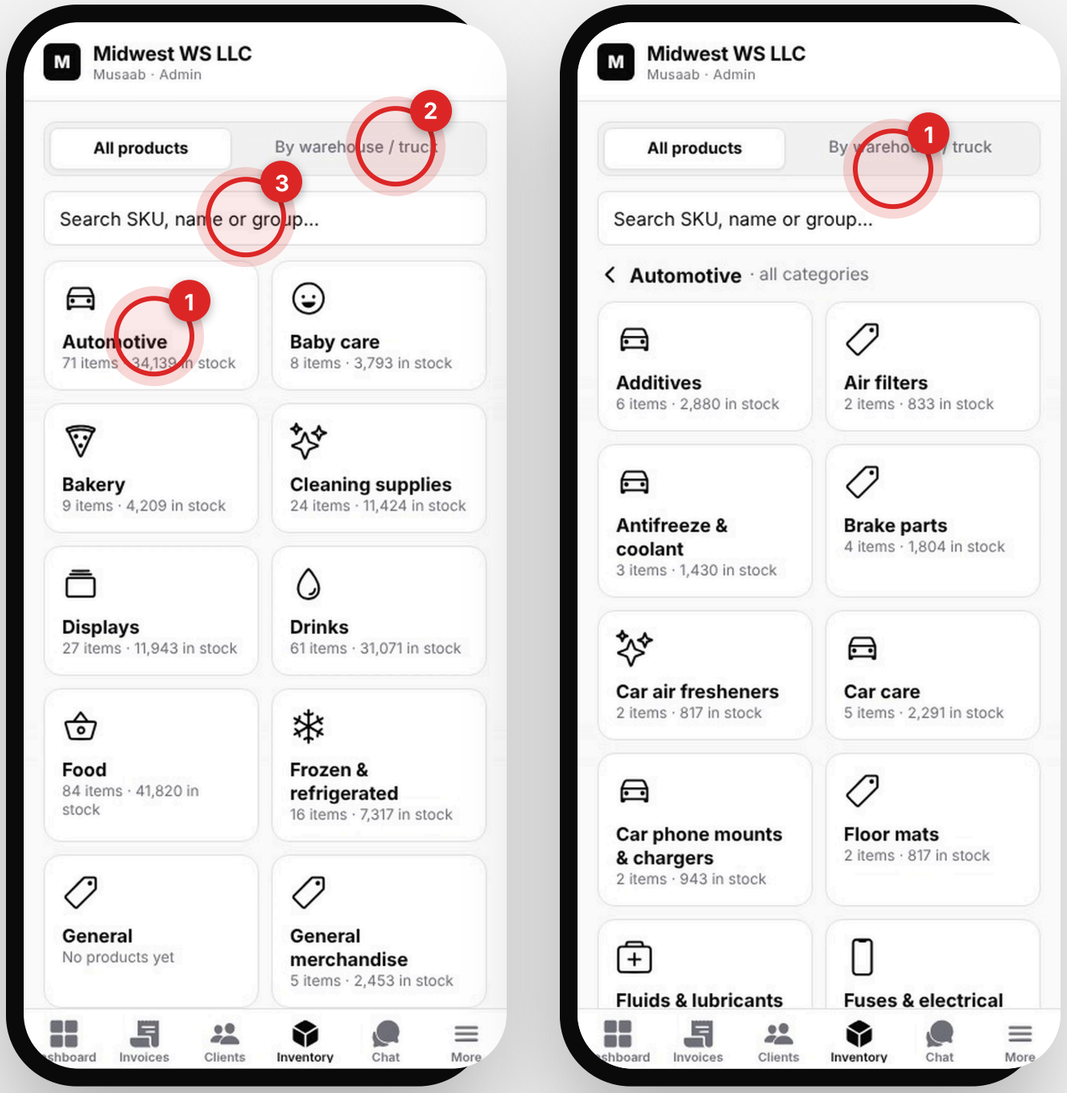
INVENTORY

Every product in its place

1. **Category tiles**
   Tap down to sub-categories

2. **Every location**
   Warehouse and each truck

3. **Find anything**
   Name, SKU or barcode



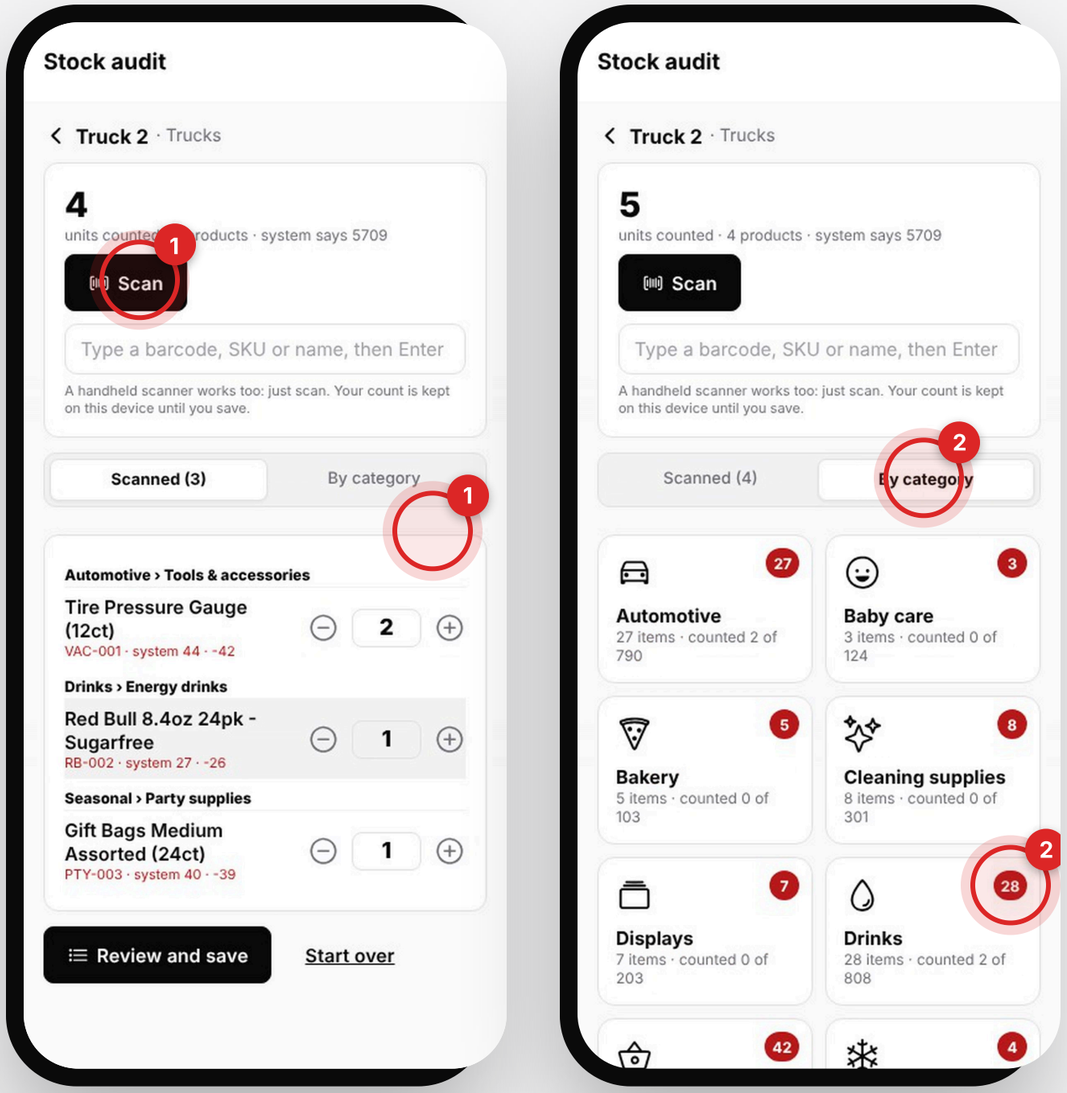
STOCK AUDIT · PLATINUM

Count a truck in minutes

1. **Scan to count**
   Anyone on the team

2. **See what's missing**
   By category and sub-category

3. **New items on the spot**
   Added straight into the inventory



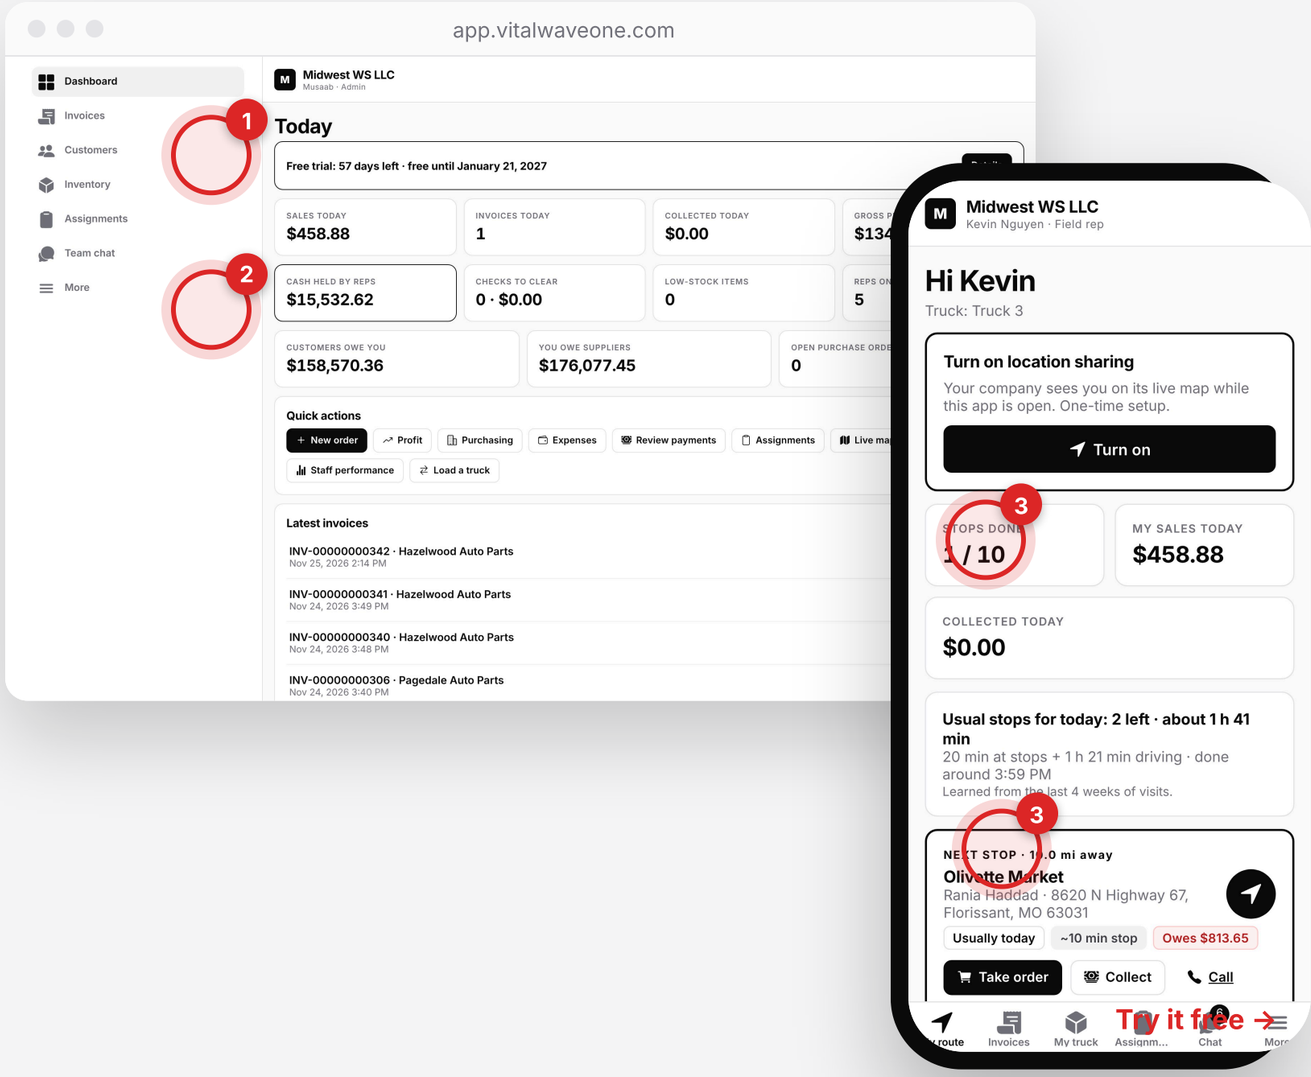
OWNER AND REPS

Your day at a glance

1. **Live numbers**
   Sales, profit, cash held by reps

2. **Who owes what**
   Customers and suppliers

3. **Reps know the next stop**
   Route order learned from visits



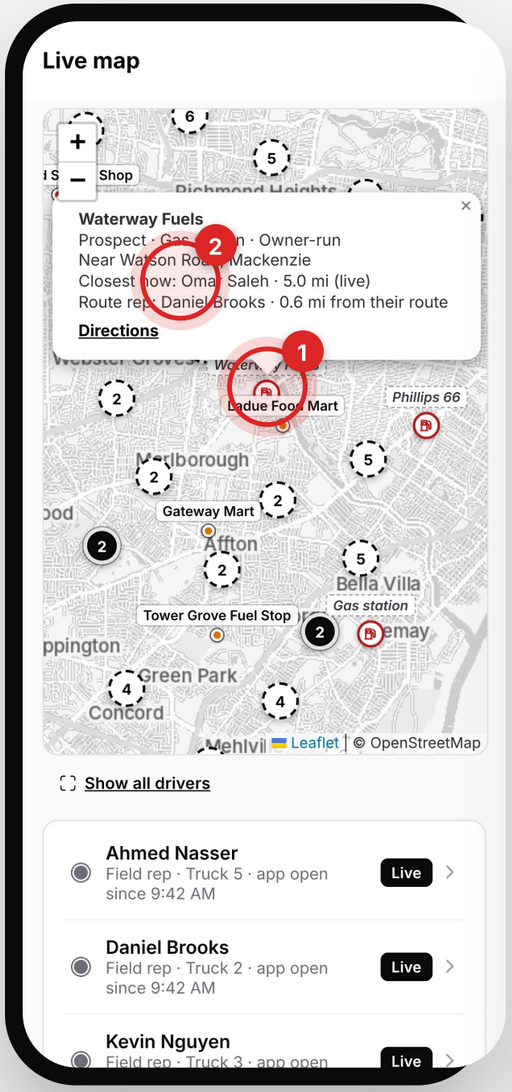
PROSPECTS · PLATINUM

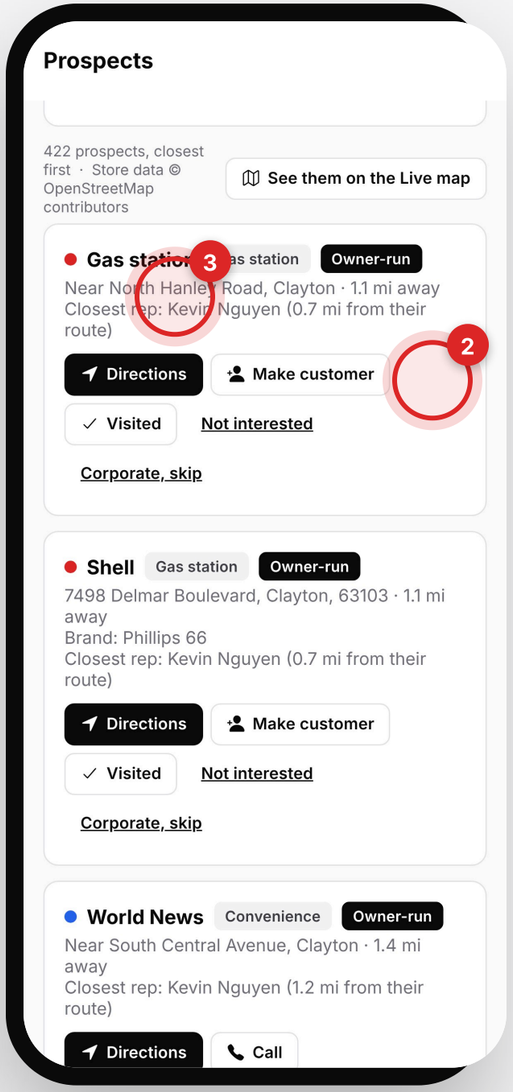
Your new customers are waiting

1. **On the map**
   Right next to your reps' routes

2. **Closest rep, live**
   Send the right person today

3. **One tap**
   A visit becomes a new account





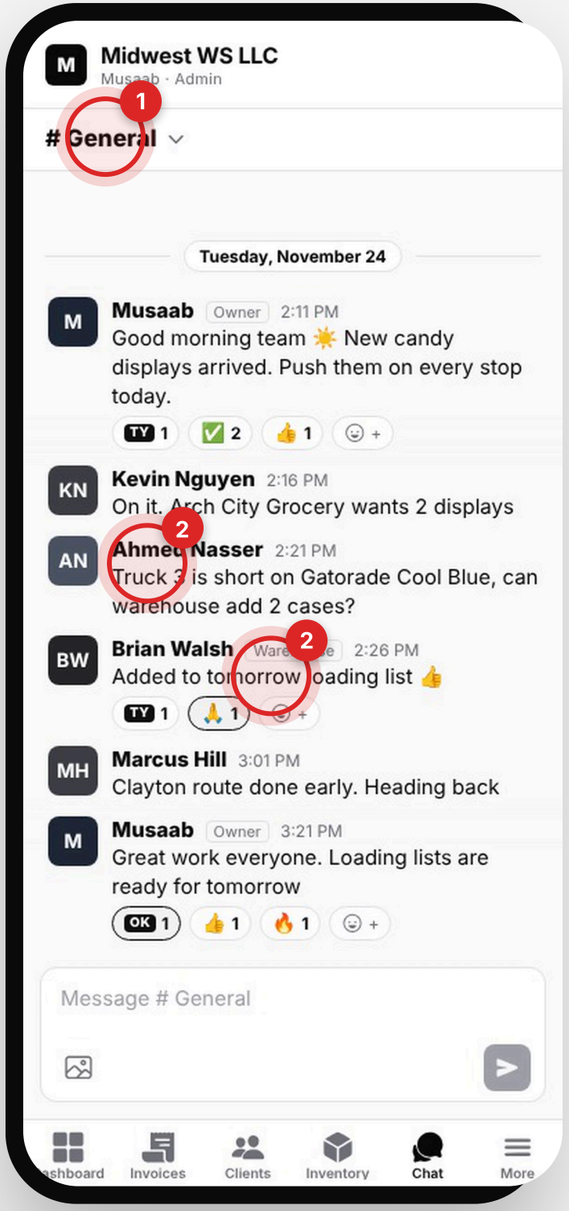
TEAM CHAT · GOLD & PLATINUM

Private team conversations

1. **Private groups**
   Whole team or just who you pick

2. **Advanced reactions**
   Answer in one tap

3. **Phone alerts**
   Even when the app is closed



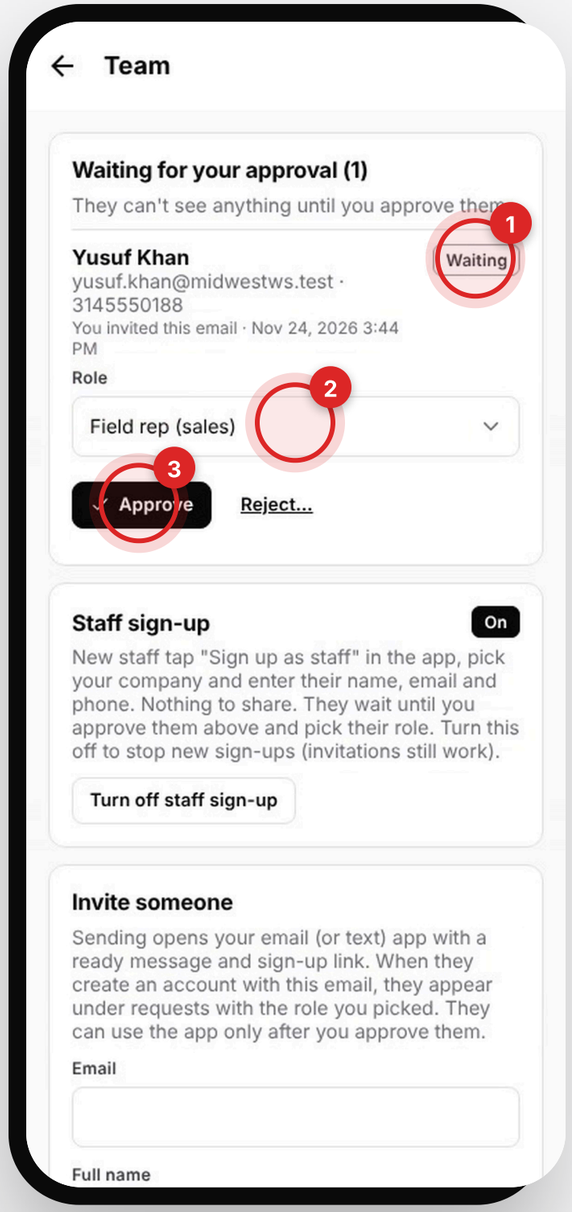
TEAM

Only approved people get in

1. **Sign-ups wait**
   Nothing visible until you approve

2. **Pick the role**
   Rep, driver, warehouse, office, worker

3. **One tap**
   You get an alert for each request



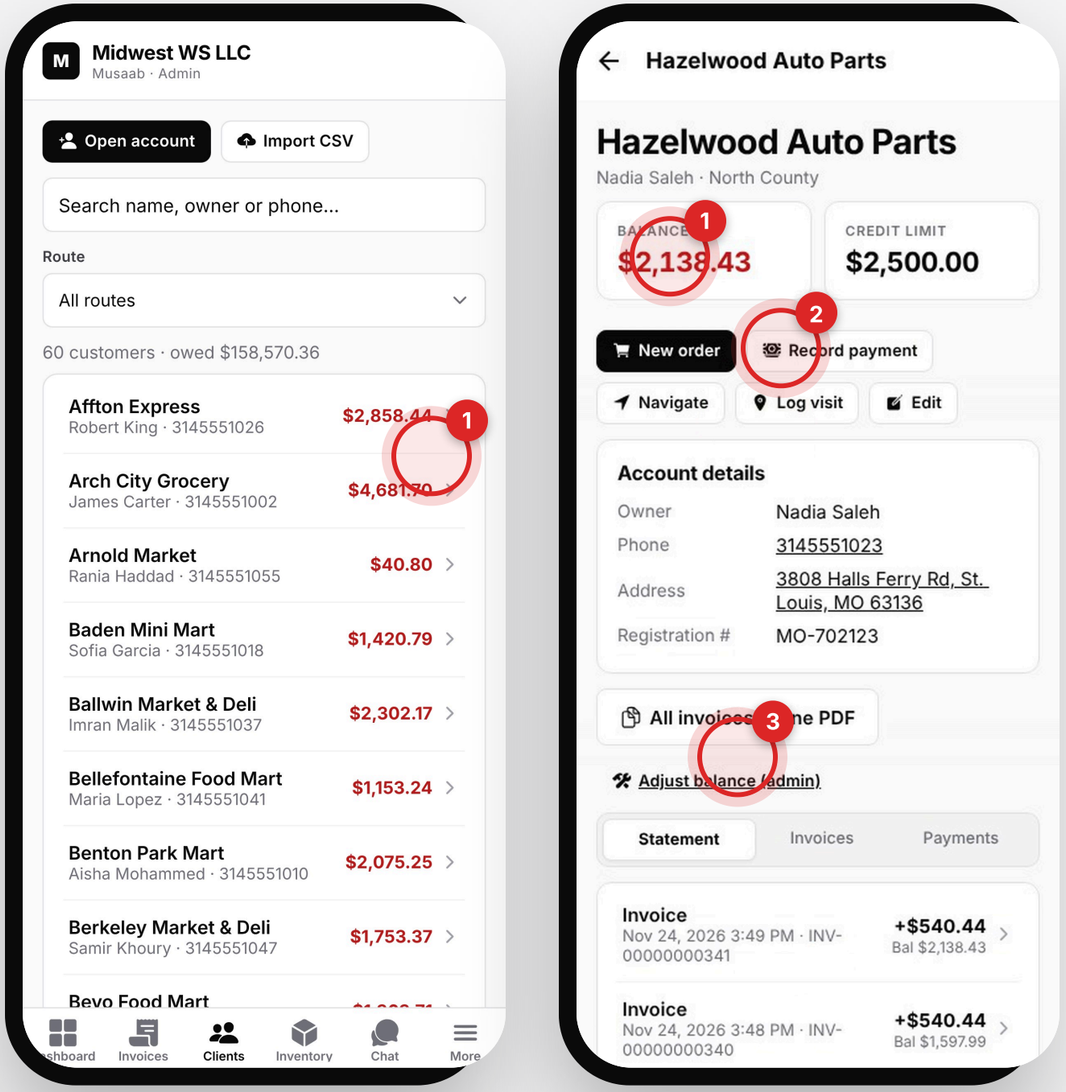
CUSTOMERS

Know who owes what

1. **Balance and limit**
   Orders stop past the credit limit

2. **Order or collect**
   One tap from the account

3. **Statements**
   All invoices in one PDF



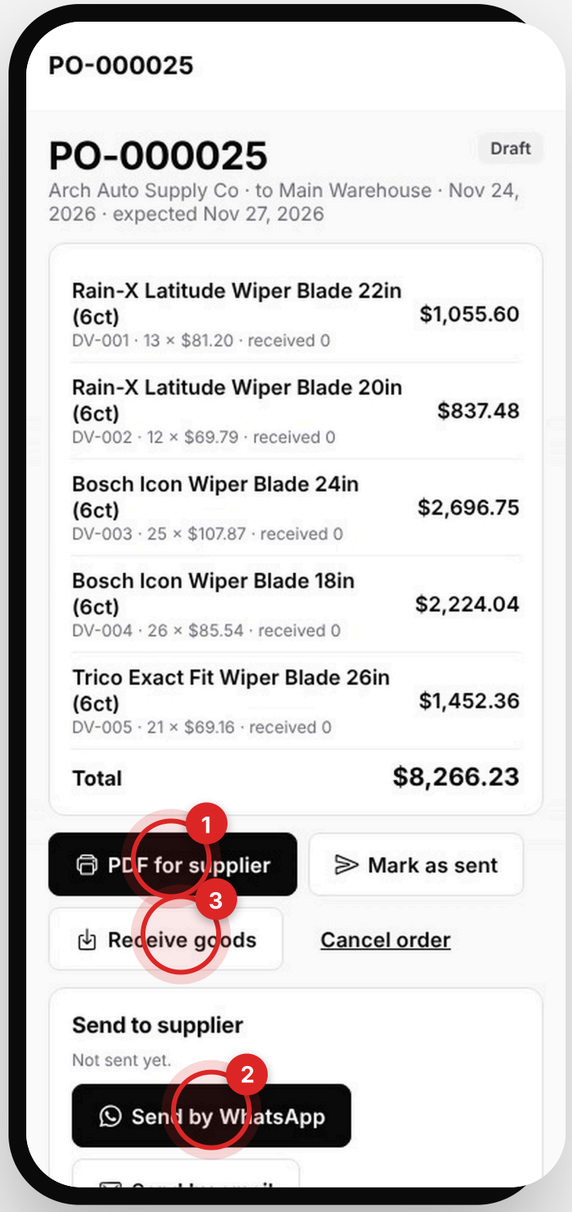
PURCHASING

Order from suppliers fast

1. **PO as a PDF**
   Clean and ready to send

2. **Send in one tap**
   By message or email

3. **Receive into stock**
   Damaged items recorded



SETUP

Bring your data in minutes

1. **From accounting software**
   Its own exports, as they are
2. **Any spreadsheet**
   Columns matched for you
3. **Nothing lost**
   Extra columns kept as details
